

Make a New Page – BRIDGE Wikispace User Guide

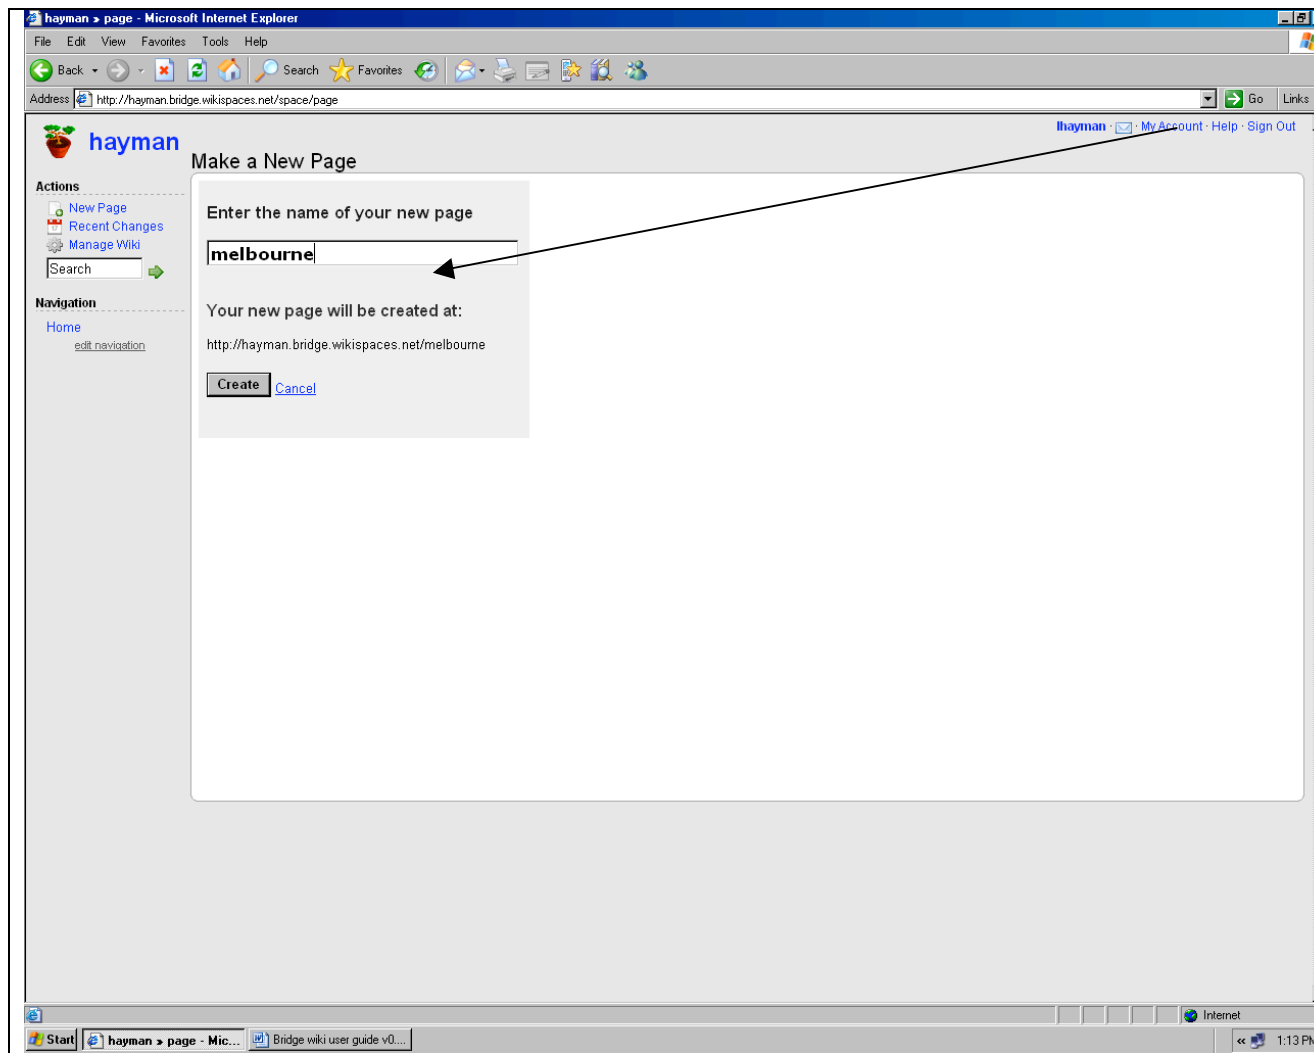

The screenshot shows a Microsoft Internet Explorer browser window with the address bar displaying <http://hayman.bridge.wikispaces.net/>. The page content includes:

- Navigation:** Home, edit navigation
- Actions:** New Page, Recent Changes, Manage Wiki, Search
- Text:** Welcome to Lisa Hayman's Bridge wikispace site. I have been a secondary school history teacher for many years as well as having a number of leadership roles. I lived in Bendigo, Victoria for a number of years and recently moved to Melbourne.
- Text:** I believe that the Indonesia Bridge project will provide teachers and students from across Australia and Indonesia with a range of exciting opportunities to learn more about each others cultures.
- Map:** A Google Map of Melbourne, Australia, showing streets like South Yarra, Toorak, and Prahran. A link "View Larger Map" is visible below the map.

Make a New Page

1. Select **New Page** on the right

Make a New Page – BRIDGE Wikispace User Guide

2. Enter the **name** which you want your page to be called. Call in the name of the city or country in which you live.
3. Select **Create**. You now have a new page in which to type in information, embed widgets etc.
4. Write some information on your town /country. What might be some interesting facts you could share?
5. Practice the use of the menu bar tools – e.g. change the format, insert hyper links where appropriate.
